

Long Furlong Primary School

PE and Sport Funding, 2016-17

The government provides additional funding to improve provision of physical education (PE) and sport in primary schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. For the academic year 2016-17, Long Furlong received £8,885.

At Long Furlong:

- All children receive high quality teaching of PE, delivered by a specialist teacher for those children in Years 1 to 6. In order to ensure that the teaching of PE is of the highest standard, those delivering the PE curriculum have access to extensive training and development opportunities. Many of these are provided by the local school sports partnerships and funded through the use of the Sport Premium.
In addition, sports coaches may work with pupils and this year golf was successfully introduced.
- The Specialist teacher attends CPD courses, conferences and local PE meetings. The cost of these are met through the Sports Premium.
- A wide range of extra-curricular sports clubs are offered; in 2016-17 these included football, golf, modern dance, maypole dancing, tennis, cricket, and netball. In order to engage as many children as possible these clubs are provided free of charge or subsidised using the Sport Premium.
- The school holds regular (termly) intra -school sports competitions (Level 1). In 2016-17 these included competitions and festivals in the following sports: cross country, athletics, football and a multi-sports event for children in Key Stage 1 and Reception. All children are expected to take part and represent their house team. Sports Premium funding is used to cover the cost of staff time and the hire of equipment necessary.
- The school participates in a wide range of inter-school sports competitions. In 2016-17 the school was represented in Level 2 (Local – Abingdon and District – Vale) and Level 3 (County – Oxfordshire) events across a very wide range of sports including cross country running, football, cricket, tag rugby, tennis, badminton, golf, sports hall athletics, quad kids, netball and swimming. All costs associated with participation in the events - including membership of the relevant School Sports Partnerships, transports costs, cost of releasing staff to accompany our pupils - are funded through the use of the Sport Premium.
- The school sports calendar culminates in a school Sports Day. All children at the school participate in the event, representing their house team. The event is held on the athletics track at Tilsley Park. All costs associated with our sports day are funded through the Sport Premium.
- Impact: Participation and Attainment:

| Competitions (KS2 ; Years 3 - 6) | | | | |
|-----------------------------------------|------------------------------------------------------------|-------------------------------------------------------------------|---------------------------------------------------------------------------------|----------------------------------|
| <i>Level</i> | <i>% of children on school roll that have participated</i> | <i>Of those that participated, % of children on SEND register</i> | <i>Of children on SEND register, % who took part in L2 & 3 competitions</i> | <i>% of Pupil Premium pupils</i> |
| Level 1 | 100% | 100% | N/A | 100% |
| Level 2 and 3 | 52% | 15% | 60% | 45% |

| Clubs (KS2; Years 3 - 6) | | | |
|---------------------------------------------|-------------------------------------------------------------------|-----------------------------------------------------------|----------------------------------------|
| <i>% of children that have participated</i> | <i>Of those that participated, % of children on SEND register</i> | <i>% of children on SEND register who attended a club</i> | <i>% of Pupil Premium pupils (KS2)</i> |
| 48% | 14% | 41% | 50% |

Attainment is recorded using recently introduced assessment grids which record progress across the different sports and activities in Key Stage 1 and 2.

In recognition of our commitment, engagement and delivery of competitive sport we were awarded the Sainsbury School Games **BRONZE MARK** in 2016-17.

- **Sustainability:** The current House Sports will continue which enables all pupils to engage in the Level 1 competitions. Continuing participation in the Sainsbury 'kite mark' scheme, careful budgeting and curriculum planning and planning of competitions enables opportunities to exist in the future. Facilitate initiatives such as Sports' Ambassadors to continue (independently of the partnership if necessary) and will be developed to increase 'pupil voice'.

2016-17 Specific Additional Items funded by the Sports Premium (over and above the items above):

| | |
|------------------------------------|---------|
| Additional PE equipment: | £411.00 |
| PE Conference: | £150.00 |
| Vale Subscription: | £350.00 |
| Abingdon Schools' FA subscription: | £ 20.00 |

Future Plans

We are mindful of the increased PE and Sports Premium for the Year 2017 -2018. The spending listed above will continue. Following the careful analysis carried out by the PE lead, gaps in opportunities and curriculum will be addressed alongside other identified needs. These may include the following or contributions towards them, should there be insufficient PE Premium:

- Alternative coaching opportunity and resources (in addition to golf and to 'top up' the reduced amount of PE during the spring term). Currently, we are considering orienteering or badminton. New line markings on playground
- Gym and other equipment (e.g. bikes) suitable for Early Years and KS 1
- Wake Up and Shake Up/ Just Noodle
- Storage (replacement shed)
- Large fixed play equipment in courtyard

Natasha Smith, PE and Sports Lead
